

DEMOCRACY or TOTALITARIANISM:

TOTALITARIANISM. *“In a totalitarian state, the goal is to serve the needs of an expanding industrial order and the complexities of bureaucratic government”* (Science News Letter). *“The extension of government control to all major aspects of social life, typically in the forceful pursuit of a single, overriding objective, and without regard for individual rights or the rule of law”* (Encyc. Brit.)

The *“overriding objective”* being to establish a **“ONE WORLD GOVERNMENT”**, controlled by the **INTERNATIONAL BANKS**, sovereign over all the **PEOPLE** of the World. The International Banks become the **DICTATOR** having complete power, forcibly suppressing opposition and criticism through terror and censorship.

The *“individual rights”* disregarded include the **RIGHT to TRIAL BY JURY**, to **FREE SPEECH**, to **OWN PROPERTY**, to **FREE ELECTIONS**, etc.

TYRANNY cannot co-exist with TRUTH, JUSTICE, FREEDOM and DEMOCRACY.

The structure of the **ONE WORLD GOVERNMENT** is that of one **OMNIPOTENT CORPORATION** with multiple subsidiary corporations. The **COURTS** and the **PARLIAMENTS** become the subsidiary corporations. Proof of this corporatization process is found by sourcing national business registries, eg: NSW SUPREME COURT - A.B.N. 77 057 165 500; HIGH COURT OF AUSTRALIA - A.B.N. 69 445 188 989; PARLIAMENT OF NSW - A.B.N. 89 288 775 026; and so on.

“And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of. A through covetousness shall they with feigned words make merchandise of you” (2 PETER 2: 2 – 3).

DEMOCRACY IS THE RULE OF COMMON LAW:

“COMMON LAW doth control Acts of Parliament (ie: **STATUTE LAW**) and adjudges them when against common right to be void” (Lord Edward Coke).

COMMON LAW is the **LAW of the PEOPLE, by the PEOPLE and for the PEOPLE**. It is made by the congregations of twelve Freemen as **JURORS**, who ask **“So help me God”** for them to administer **JUSTICE** and **JUSTICE** is “the protection of rights and the punishment of wrongs”, and “In a civilized society, the purpose of a court is the vindication of men’s rights and the enforcement of just causes” (Lord Denning). However, a **KANGAROO COURT** is “a Court which acts unfairly, or dishonestly, or disregards legal rights or disregards legal procedures”.
