

DECLARE IT TREASON

Dear Fellow Australians,

DECLARE IT TREASON.

1. Trial by Jury is Democracy.

2. Denying Trial by Jury is denying Democracy.

3. Denying Democracy is Treason.

Tell Judges, Magistrates, Sheriffs, Police, and all Officials they are of inferior Jurisdiction to We the People. Tell them they have no authority of us in any way and in any instance, unless we give our consentand that consent must be clear and unequivocal.

We are living men of flesh and blood human beings created by God. We are Freemen.

They are servants of We the People, in offices that are created by us.

If they, in any way, endeavour to subvert (undermine) or extirpate (take away) the laws and liberties of We the People, they have violated their oath and their duty as our servants.

If they disregard or deny us our inalienable Right to Trial by Jury, they are Traitors.

Tell the Judges it is their sworn duty to “do right to all manner of people without fear or favour, affection or ill-will”.

Tell the Sheriffs it is their primary and paramount duty to ensure “people can exercise their rights in court in safety”.

A Freeman can only be judged by twelve of his equals who ask “So help me God”, in order for them to administer Justice.

“He who betrays his country is like the insane sailor who bores a hole in the ship which carries him” and “A traitor is punished, that by the death of one, all may not perish” – legal maxims.

Evil counsellors, judges and ministers do not love God, nor love their neighbours as themselves - which are the Commandments upon which all law hangs.

Declare it TREASON.

Yours sincerely,
John Wilson.
