

UNLAWFUL AUCTION IN NORTH ROCKS:

An UNLAWFUL AUCTION was held by L.J. Hooker P/L of Carlingford at my dental surgery at 331 North Rocks Road, North Rocks, on Saturday 23 May 2009 because of a KANGAROO COURT conducted at the NSW Supreme Court, Queen's Square, Sydney on 26 June 2008. The court proceedings VIOLATED INALIENABLE LEGAL RIGHTS and CONCEALED HORRENDOUS FRAUD....therefore, those awards, doings and proceedings are not to be drawn into consequence or example, ie: they are ILLEGAL AND VOID. Despite that, L.J. Hooker P/L of Carlingford went ahead with the FARCE with a team of ex-footballer THUGS ready to assault me if I went onto my own property and with 3 POLICE OFFICERS also in attendance. I will not give in to what is a COMPLETE DESTRUCTION OF RIGHT AND JUSTICE. Here follows a copy of an email I sent to my worldwide list of recipients:

Dear Fellow Freedom Fighters,

NEVER SURRENDER TO EVIL.

BANKS ARE THIEVES. Bank loans are fraud because variable interest rates render a contract void for uncertainty. Obtaining money by fraud is stealing.

JUDGES ARE TRAITORS. Trial by Jury is Democracy. Denying Trial by Jury is Treason.

POLICE & SHERIFFS ARE GESTAPO. Police and Sheriffs protect these thieves and traitors.

Yours sincerely,

John Wilson. <http://www.rightsandwrong.com.au>

PS: Re: I have just received an email saying: "Let the cowards and Traitors run for cover! <http://www.splcenter.org/blog/2009/05/28/Threats-Against-Judges/>". Judges being shot and having to arm themselves is all wrong. It is only when Judges usurp the role of Juries that they place themselves at risk. Judges have no jurisdiction to judge any disputes nor any prosecutions brought to court, nor to impose any punishments nor to award any damages, unless there is the clear and unequivocal consent from both parties to be without a Jury. Judges are only servants of the People and are to do what Juries tell them to do. JW.
